## Independent Reading Library

Keep a love of reading going for third graders with topics guaranteed to hook all readers. Students can find a cozy place to read about the inhabitants of the rainforest, how lives have changed from the past, or find similarities in the writing styles of their favorite author.

With a wide range of guided reading levels, trade books, high interest nonfiction, and popular titles all students will find a book to catch their attention. Exposure to topics such as favorite authors, inside planet Earth, and biographies will encourage students to expand their horizons and gain a deeper knowledge of the world we live in.

The library includes a copy of *The Daily Five, Second Edition*, and *The CAFE Book*.

Bins shown are for illustrative purposes only and are not representative of actual titles

**F** Fiction titles

**NF** Nonfiction titles

**200 titles - 10 units - 20 titles per unit**  
All units come pre-packed and assembled in labeled bins

## Around the World

- Pack your bags and get ready to travel around the world from extreme places to well-traveled cities. Climb mountains, trek through countries, and swim through the seas to explore the world in which you live
- With illustrated atlases, gorgeous tours through Madagascar and Iceland, and fictional adventures in breath-taking cities – this collection feeds the wanderlust that all children have.
