

# The Daily **5**

## Independent Reading Library

Fifth-grade students will quickly become vivacious readers after picking up some of the exciting and enthralling books in this collection. They will travel back in time to see how ancient civilizations have shaped our world today, find out what truly caused the Civil War, and get a taste of all the different careers that await them. Modern biographies will inspire our students to never give up on their dreams and to always reach for the stars.

Trade books, leveled readers, nonfiction texts with high quality photographs, and graphic novels are sure to catch the attention and interest of all readers. A variety of topics will challenge students to find a new favorite in a genre they might not have once considered.

The library includes a copy of *The Daily Five, Second Edition*, and *The CAFE Book*.

Bins shown are for illustrative purposes only and are not representative of actual titles
